

Instructions for submitting your Poster:

You are responsible for printing your poster. If you choose to print on paper, lamination is recommended; vinyl is another option. Posters should be 46" x 46". Presentation boards and supplies to hang posters will be provided. The presentation boards are 4' tall x 8' long; two posters will be assigned to each side of the presentation boards.

You are also responsible for transporting your poster to the meeting. If you would like to ship your poster, or if you would like to have your poster printed in Long Beach, please contact Poster Session Chairperson Emma Burt (contact information below), and she will provide you with information on how best to do that. Posters should be assembled between 1:00 pm and 6:00 pm on Monday, February 24 and left in place until 3:00 pm on Thursday, February 27.

There will be **two** Poster/Vendor Sessions and Socials. You will be required to be present at one of two poster sessions. Poster session dates are Tuesday, February 25 and Wednesday, February 26 from 3:30 pm – 5:30 pm. You will receive a notification from the Poster Chairperson indicating which session you are required to be present. There will also be a Poster Contest. Those attending the social will be given the opportunity to vote for the best poster in each section.

Emma Burt is serving as the Poster Session Chairperson for the 2025 ASSBT meeting, and she will be your first contact for any questions you have regarding your poster. eburt@mdf.coop

We look forward to your poster at the 2025 American Society of Sugar Beet Technologists meeting.
